PLATINUM PARTNERS

GOLD PARTNERS

SILVER PARTNERS

The 8th edition of PLASTASIA-2025 will be an unparalleled platform for exhibitors to showcase their latest innovations, technologies and machineries driving the manufacturing of plastics, raw materials, and petrochemicals with participation from various corners of the globe.

Attendees will have the opportunity to witness the entire plastics industry under one roof as PLASTASIA-2025 offers an ideal platform to explore and acknowledge the most recent developments.

Moreover, the event will draw key industry players and decision-makers from both corporate and public sectors, fostering an environment conducive to forging valuable business tie-ups and contacts.

Various exclusive programmes at Plastasia 2025 are set to enrich the experience, providing attendees with valuable insights and opportunities to network and collaborate such as:

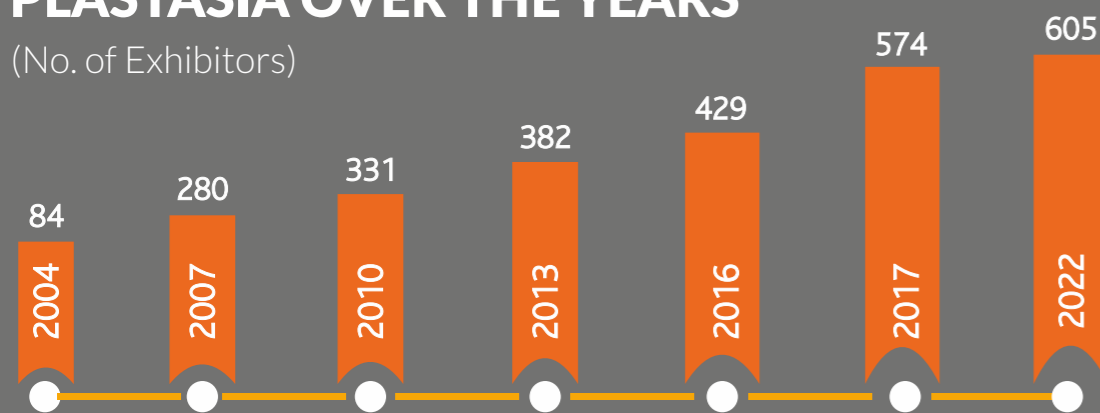

- Live Product Demonstrations**
- Recycling Pavilion**
- Product Launches**
- Business Matchmaking Sessions**

PLASTASIA-2025 is poised to be a landmark event driving the plastics industry towards greater innovation, sustainability and success.
