SILVER PARTNERS

Supporting Associations:

The 9th edition of PLASTASIA-2027 will serve as a premier global platform for exhibitors to present their latest innovations, technologies and machinery shaping the manufacturing of plastics, raw materials and petrochemicals. With participation from across the world, the event will spotlight cutting-edge solutions driving the industry forward.

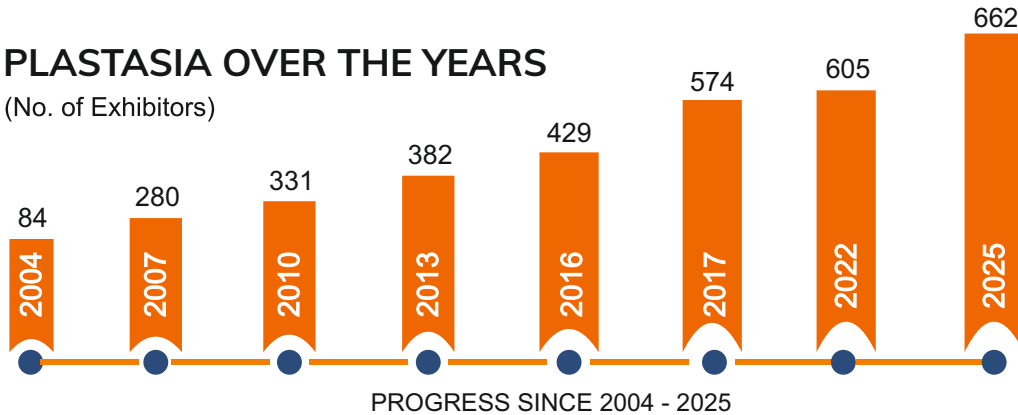

Visitors will experience the entire plastics value chain under one roof, making PLASTASIA-2027 the ideal destination to discover and engage with the latest advancements in the sector.

The exhibition will attract influential industry leaders and decision-makers from both corporate and public sectors, creating an environment that fosters strategic business partnerships and valuable networking opportunities.
